End-of-semester feedback – takes 2 mins

Please fill it out right now!

SCAN ME

What did you like about the subject, lectures, tutorials?

What did you find interesting?

Anything to improve for future cohorts?

Outline

- Additional time to work on your group assignment
- Support for clarifying any last-minute questions and doubts
- Final chance of getting feedback on design and mock-ups

Thank you for a wonderful semester! ☺

Feel free to reach out over Ed if you have more questions or doubts
